# 1 Foreword

The *2016 Approved schedule of fees and charges* outlines all fees and charges that may be levied by RMIT for enrolment or other engagement with RMIT in the 2016 calendar year. This document is published annually under the authority of the RMIT University Council. All fees in this schedule and its appendices are subject to alteration by Council without prior notice. Approved changes will be recorded in the relevant fee schedule and published at [www.rmit.edu.au/fs/studentfees/schedules](http://www.rmit.edu.au/fs/studentfees/schedules).

Only fees that have been approved by the Vice-Chancellor (or delegate) can be charged to students or persons; fees that have not been approved should not be charged or collected. All student fees must be charged through the University's student administration management system (SAMS) unless otherwise approved by Financial Services.

All fees and charges listed in this document and its appendices have been approved by the Vice-Chancellor and endorsed by Financial Services. Any queries about this document can be lodged by contacting RMIT Connect at +61 3 9925 5000 (Australian land line) during business hours or by visiting an RMIT Connect Service Centre. Visit [www.rmit.edu.au/students/connect](http://www.rmit.edu.au/students/connect) for more information.

In broad terms, there are four categories of fees charged by RMIT:

1. Tuition fees for higher education, vocational education and preparatory students. The tuition fees charged depend on whether a student has been offered a Victorian or Commonwealth Government supported place, a domestic full-fee place or an international onshore or offshore place.
2. Student services and amenities fees for services and amenities of a non-academic nature that enhance the student experience, such as sporting and recreational activities, employment and career advice, child care, financial advice and food services.
3. Materials fees and charges associated with programs and courses offered by the University. These include fees and charges for field trips and goods that are used to produce items that become the physical property of students.
4. Administration fees and charges include fees for services, graduation ceremony attendance, parking, library fines, and penalties for late payment or late enrolment.

The following sections detail the fees and conditions that may apply to fees charged to students or persons for enrolment or other engagement with RMIT during 2016. Information about fees is also available at [www.rmit.edu.au/programs/fees](http://www.rmit.edu.au/programs/fees).

## 2 Application of the 2016 Approved schedule of fees and charges

All students or persons who enrol at RMIT for studies in the 2016 calendar year, or who otherwise engage with RMIT in 2016 (e.g. graduation, car parking, application for admission) are subject to the fees and charges detailed in this document.

All students who undertake their studies at RMIT in the 2016 calendar year are required to enrol. Completion of an enrolment form or online enrolment is a declaration that binds a student to the rules and obligations of this schedule, inclusive of amendments subsequently approved by Council.

A student or person is liable for the financial obligation that results from the application of their enrolment or other action pursuant to this schedule. If a student has enrolled and wishes to cancel their enrolment, it is their responsibility to inform RMIT in writing before the census date in the relevant semester. If they fail to do this their financial obligation remains and they will have to pay fees for that semester even if they do not wish to continue their studies.

### 2.1 Creation of financial liability

Financial liability for all tuition and administration fees and charges is created at the point of enrolment. Students become liable for materials fees upon signed agreement and/or upon receipt of the corresponding goods or service.

### 2.2 Cessation of financial liability

Financial liability only ceases upon payment or withdrawal from a course or program by the appropriate date.

The only mechanisms to withdraw from a course are via Enrolment Online or an approved *Enrolment variation* or *Leave of absence* form.

The only mechanism to withdraw from a program is lodgement of a *Cancellation of enrolment* form with RMIT University or RMIT Training.

Visit [www.rmit.edu.au/students/enrolment/after](http://www.rmit.edu.au/students/enrolment/after) for more information about enrolment variation, leave of absence and cancellation of enrolment.

### 2.3 Governing legislation

The *2016 Approved schedule of fees and charges* has been prepared based on the current Australian and Victorian Government legislation and corresponding administration guidelines, which govern RMIT operations. RMIT reserves the right to amend the fees, charges and guidelines detailed in this document in line with any changes the Australian or Victorian Government may implement subsequent to its publication.

Should any inconsistencies arise between this document and the Australian or Victorian Government legislation and guidelines, the information and rules contained within the aforementioned legislation and guidelines prevails.

## 3 Tuition fees

### 3.1 Annual fees

Program and course tuition fees for students who commence their program in 2016 are held constant for the 2016 calendar year only. RMIT reserves the right to annually adjust program tuition fees. Changes to program tuition fees will be applied at the beginning of each calendar year. In 2016 the annual tuition price increase is capped at 7.5%.

This cap applies to:

- local and international onshore full-fee higher education students
- international onshore full-fee vocational education and preparatory students
- international offshore higher education students who are enrolled with and pay fees to RMIT Australia.

For higher education fees, tuition fees are rounded up to the nearest \$10.00 per credit point increment, and so the actual fee increase may exceed 7.5%. Similarly, for international onshore vocational education and preparatory students, the program annual fees are rounded up to the nearest \$250, and so the actual fee increase may exceed 7.5%.

Domestic vocational education fees are not subject to an annual cap and fee increases may exceed 7.5%.

The terms and conditions detailed in this document relate to 2016 commencing and returning students and are subject to annual review. Students who commence their program in subsequent years will be subject to the terms and conditions prevailing at that time. Any changes to terms and conditions will be communicated prior to their effective commencement date.

### 3.2 Cohort pricing

Where the tuition fee for a given higher education program exceeds the cap on annual tuition price increases, students who are currently enrolled will be entitled to complete their program at their current fee rate (subject to annual indexation), while newly enrolling students will be charged at the new fee rate. Any change of program is treated as a new enrolment.

The domestic and international onshore lists of the average annual 2016 tuition fees for all undergraduate, postgraduate and higher degree by research programs in Appendices 1 and 3 may, therefore, include two or more price streams for a single program. Where this occurs the 'program description' field will indicate the cohort by calendar year that corresponds to the annual fee price listed. Students are allocated to a cohort based on the semester and year they are admitted into a program.

### 3.3 Standard or average load

Annual tuition fees are based upon standard or average load (total program load ÷ program duration) and normal progression, with pro-rata fees applying to non-standard loads.

The standard measure of a full-time student load in higher education is 96 credit points per year. Vocational education programs do not conform to a standard load per year; the annual fees for these programs are, therefore, based on a calculation of total program fees (at current year prices) divided by program duration.

Vocational education tuition fees are charged at a rate per nominal hour and a student's fees are calculated each year according to their enrolled load at the program price set for the corresponding calendar year.

To illustrate, a program requiring 1,500 nominal hours over two (2) years may require students to undertake 700 nominal hours in the first year and the balance of 800 nominal hours in the second year. Assuming full-time enrolment, the student will be charged for 700 nominal hours in the first year at the rate per nominal hour set for that calendar year and for 800 nominal hours in the second year at the new calendar year rate.

The fee charged for each semester in a calendar year may also vary depending on the program's enrolment structure. As an example, a student required to complete 700 nominal hours in a calendar year may be enrolled in and charged for 300 in semester one and for 400 in semester two.

Over the full duration of the program, the total program tuition fee will be the fee quoted, subject to annual indexation. Vocational education fees may be in excess of the total program tuition fee (including annual indexation) if the student chooses non-standard electives or if a student enrolls in subjects in addition to the standard program load. Due to their variable program structure, some vocational education programs may have a different fee depending on the student's chosen stream.

The student tuition fees as published in this schedule are subject to change given individual circumstances at enrolment and should only be used as a guide.

### **3.4 Higher Education – Commonwealth supported places**

A Commonwealth supported place (CSP) is a place at university where the tuition fee is jointly paid by the student and the Commonwealth Government. The student's share of the fee (student contribution) is set by the government and determined by the discipline areas (bands) of their individual enrolled courses (subjects), not the overall program.

A student is a CSP student only if they have received confirmation from RMIT that they have been offered a Commonwealth supported place and the student accepts that place.

Some CSP students may be eligible for a HELP loan, which will allow them to defer payment of up to 100% of their student contribution (see section 3.5).

Visit [www.rmit.edu.au/programs/fees](http://www.rmit.edu.au/programs/fees) for more information about Commonwealth supported places.

#### **3.4.1 Calculating the student contribution**

Commonwealth supported place (CSP) student contribution amounts are charged on a semesterly basis. After each published semester census date, all CSP students are issued a Commonwealth Assistance Notice (CAN) that details their student contribution amounts and any payments made upfront for each enrolled course.

The student contribution amount for a course is based on the student contribution band that the course falls within (see Table 1 on page 9) and the Effective Full-Time Student Load (EFTSL) weight of the course as a proportion of a full-time study load (i.e. student contribution band x EFTSL course weight).

The weight of courses is measured as a proportion of a full-time student load (1 EFTSL) and can also be measured in credit points. A standard annual full-time load for higher education students at RMIT

is equivalent to 96 credit points. Some programs, such as double degrees, may require the student to enrol in more than 96 credit points in some or all years of the program and fees will be charged accordingly.

It is important to note that the student contribution bands are determined by the individual 'unit of study' (which RMIT defines as a course), not the program or degree.

That is, if a student enrolls in a nursing course and an accounting course as part of a Bachelor of Nursing program, the nursing course will be charged at the Band 1 rate and the accounting course will be charged at the Band 3 rate.

Detailed information regarding the calculation of student contribution amounts is provided at [www.rmit.edu.au/programs/fees](http://www.rmit.edu.au/programs/fees).

**Table 1: Maximum student contribution amount by student contribution band - 2016**

<b>Student contribution band</b>	<b>Maximum student contribution amount for a place in 2016 (1 EFTSL or 96 credit points)</b>
<b>Band 1:</b> humanities, behavioural science, social studies, education (see Notes), clinical psychology, foreign languages, visual and performing arts, nursing (see Notes)	\$6,256
<b>Band 2:</b> mathematics, statistics, computing, built environment, other health, allied health, science, engineering, surveying, agriculture	\$8,917
<b>Band 3:</b> accounting, administration, economics, commerce, law, dentistry, medicine, veterinary science	\$10,440

**Notes on Table 1:**

For Commonwealth supported students who began their course of study before 1 January 2010, the maximum annual student contribution amount that may be charged for education and nursing units in 2016 is \$5,006 per EFTSL. Students who started their course of study on or after 1 January 2010 are subject to the maximum band 1 student contribution amount for education and nursing units in 2016 as specified in the above table.

### 3.4.2 Pre-2010 students

From 1 January 2010, the maximum annual student contribution amount for education and nursing units of study increased from the National Priority Band rate to the Band 1 rate. This applies to students who commenced their program of study from 1 January 2010. Continuing students will continue to be subject to the National Priority Band rate that applied in 2009, indexed for subsequent years (\$5,006 in 2016).

A person is a pre-2010 student for a 'unit of study' (course) if:

- the person commenced a 'course of study' (program) with a provider before 1 January 2010 and was a Commonwealth supported student in relation to a unit of study in that course; and
- the person did not complete the course by 31 December 2009, or if they completed the course, it was:

- an enabling course undertaken in 2009; or

- a related course for an honours course of study and they are undertaking the honours course of study; and

- the unit of study would have been included in Education in the funding cluster Mathematics, Statistics, Behavioural Science, Education, Computing, Built Environment, Other Health or the funding cluster Nursing repealed by the Higher Education Support Amendment (2009 Budget Measures) Act 2009.

To be a pre-2010 student there is no requirement the course the student was undertaking on a Commonwealth supported basis prior to 2010 was a course of study in education or nursing or a related discipline or the student undertook units of study in education and nursing or related disciplines prior to 2010.

Pre-2010 arrangements apply to students who transfer from one course of study to another, including where one course of study is postgraduate and the other undergraduate, or who transfer between providers, as long as they meet the above requirements.

Where a student commenced a course of study as a Commonwealth supported student before 2010, the student had not completed the course of study by the end of 2009, and they take a break from their studies by deferring, they are a pre-2010 student on their return to that course of study. Students are generally subject to the same provisions as existed when they commenced their Commonwealth supported course.

### ***When is a person not a pre-2010 student?***

A student can be a pre-2010 student only if, among other requirements, they were a Commonwealth supported student for a unit of study undertaken as part of a course of study before 1 January 2010. A person is a Commonwealth supported student in a unit only if they remain enrolled at the end of the census date for the unit. Therefore, a person is not a pre-2010 student if they deferred their enrolment or withdrew following enrolment from all units before the end of the first census date for a unit in their course of study, unless they meet the pre-2010 requirements for a different course of study.

A person who studied as a Higher Education Contribution Scheme (HECS) student prior to 1 January 2005, but who has not undertaken any study between 1 January 2005 and 31 December 2009 that would make them a Commonwealth supported student, will not be a pre-2010 student.

### ***Example***

- A student who is enrolled in a double or combined degree program is a pre-2010 student if they completed the requirements of only one of the awards on or before 31 December 2009.
- A pre-2010 student enrolled in a single degree program and who transfers subsequently to a combined or double degree program remains a pre-2010 student even if they complete the requirements of one of the awards.

### 3.5 Higher Education Loan Program (HELP)

A HELP loan can assist eligible students to pay their student contribution amount, tuition fees, the student services and amenities fee, or to meet overseas travel expenses. HELP is administered under the *Higher Education Support Act 2003* (HESA).

While some information about HELP is provided in this document to assist students, a student's official reference for HELP is the Commonwealth Government's *Study Assist* website at [www.studyassist.gov.au](http://www.studyassist.gov.au) and publications such as the *FEE-HELP information 2016* booklet and the *HECS-HELP Commonwealth supported places information for 2016* booklet. Changes may be made by the government to the legislation for HELP at any time.

The Commonwealth Government's *Study Assist* website [www.studyassist.gov.au](http://www.studyassist.gov.au) contains links to their *myUniAssist* database, which is designed to help students keep track of how much Commonwealth assistance they have used.

Should any inconsistencies arise between this document and the official Commonwealth Government website, then the information contained on the Commonwealth Government website will prevail.

#### 3.5.1 HELP loans available

HELP loans provide eligible students with assistance to pay all or part of their student contribution amount, tuition fees and student services and amenities fees. The HELP loans available are as follows:

- **HECS-HELP** — for eligible students enrolled in a Commonwealth supported place (CSP). HECS-HELP loans cover all or part of a student's student contribution amount (course fees) only. The student services and amenities fee can NOT be deferred by HECS-HELP.

HECS-HELP students currently have the following options for paying their student contribution:

- Pay the full amount upfront and receive the 10% HECS-HELP upfront payment discount.\*
- Make a partial upfront payment of \$500 or more and take out HECS-HELP for the remainder (the HECS-HELP upfront discount of 10% applies to payments of \$500 or more).\*
- Defer the full amount to HECS-HELP.

\*Please note: As early as 1 January 2016, subject to the passage of legislation, the HECS-HELP discount of 10% for up-front student contributions and the voluntary repayment bonus of 5% may be removed. This information is correct at the time of publication of this document. Visit [www.studyassist.gov.au](http://www.studyassist.gov.au) for more information.

- **FEE-HELP** — for eligible full-fee students. FEE-HELP is a loan that covers all or part of a student's tuition fees only. It is available to full-fee undergraduate, postgraduate coursework and research students. Undergraduate students (including Associate Degree students) are charged a 25% loan fee, which does not count towards the lifetime FEE-HELP limit (see section 3.5.2). The student services and amenities fee can NOT be deferred by FEE-HELP.
- **OS-HELP** — for eligible Commonwealth supported students who wish to study overseas. This loan is to assist with expenses such as accommodation and travel.

- **SA-HELP** — for eligible higher education students. SA-HELP loans are provided to cover all or part of a student's student services and amenities fee. Students who wish to defer the student services and amenities fee must apply for this loan **in addition** to applying for FEE-HELP or HECS-HELP.
- **VET FEE-HELP** — for eligible vocational education students. VET FEE-HELP loans are provided to meet all, or some, of the costs of tuition incurred by:
  1. Eligible full-fee vocational education students who enrol in a diploma, advanced diploma, vocational graduate certificate or vocational graduate diploma program; and
  2. Eligible vocational education students in a Victorian Government subsidised place who enrol in a diploma or advanced diploma program.

A loan fee of 20% applies to vocational education full-fee places. This loan fee does not count towards the lifetime FEE-HELP limit (see section 3.5.2). Vocational education students in Victorian Government subsidised places are not charged a loan fee.

Further information about HELP loans is available at [www.rmit.edu.au/programs/fees/helploans](http://www.rmit.edu.au/programs/fees/helploans) or visit [www.studyassist.gov.au](http://www.studyassist.gov.au).

### 3.5.2 Lifetime limits to HELP loans

Over a student's lifetime, a FEE-HELP limit applies for access to FEE-HELP and VET FEE-HELP loans. The FEE-HELP limit is indexed annually.

In 2016, the FEE-HELP limit is \$99,389 for most students. For students undertaking medicine, dentistry and veterinary science courses (programs) as defined in the *Higher Education Support Act 2003* the FEE-HELP limit is \$124,238.

Note that the higher FEE-HELP limit only applies to courses that lead to initial registration to practise in those fields. The lower limit will apply to any further study undertaken once a student has gained the requisite level for initial registration.

The FEE-HELP limit is a lifetime limit and is not reset or 'topped up' by any repayments a student makes. For the purposes of the lifetime FEE-HELP debt limit, FEE-HELP and VET FEE-HELP debts are treated as a single debt. This means that any amount borrowed under either FEE-HELP or VET FEE-HELP will reduce a student's FEE-HELP balance until they have reached the FEE-HELP limit.

The options available for paying tuition fees or student contributions depend on the student's eligibility for a HELP loan. If an eligible student has an approved loan they have the option to:

- pay the full tuition fee or student contribution amount up-front
- pay some of the tuition fee or student contribution amount up-front and request a loan for the remainder of their tuition fees or student contribution
- request a HELP loan for the full tuition fee or student contribution amount.

### 3.5.3 HELP loan repayments

HELP debts are indexed on 1 June each year and repayments occur one of two ways:

- **Compulsory payments through the Australian taxation system:** students start repaying their HELP debt to the Australian Government through the Australian Taxation system once they reach the minimum income threshold level for repayment. The repayment thresholds are adjusted each year to reflect any changes in average weekly earnings.
- **Voluntary repayments to the Australian Taxation Office:** students can make voluntary repayments to the Australian Taxation Office at any time and for any amount.

It is important to be aware that the Australian Taxation Office (ATO) will no longer be sending out a yearly ATO statement to students. All students are responsible for keeping track of their debt at the ATO. For more information please visit [www.ato.gov.au](http://www.ato.gov.au).

### 3.5.4 Provision of a Tax File Number

If a student is applying for any kind of HELP loan for study at RMIT, they will need to supply a valid Tax File Number. If a Tax File Number is not supplied on or before the census date, the student will need to pay the student contribution or tuition fee in full on or before the census date.

If a Commonwealth supported place (CSP) student does not pay their entire student contribution amount up-front and has not provided a valid Tax File Number on or before the census date, RMIT is required by Australian Government legislation to **cancel** the student's enrolment. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

If a CSP student who is not eligible for HECS-HELP assistance fails to pay their student contribution amount in full by the census date, RMIT is required by Australian Government legislation to **cancel** the student's enrolment. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

### 3.5.5 Eligibility for HELP programs

To be eligible for HELP a student must be one of the following:

- an Australian citizen who will undertake, in Australia, at least one unit (course) of study contributing to their course (program) of study;
- a holder of a permanent humanitarian visa who will be resident in Australia for the duration of the unit; or
- a holder of a permanent residency visa who is undertaking bridging study for overseas-trained professionals and will be a resident in Australia for the duration of the unit.

### 3.5.6 HELP loans extended to long-term residents from New Zealand

The Australian Government is seeking to amend the *Higher Education Support Act 2003* so that certain New Zealand citizens who are Special Category Visa holders can access a HECS loan.

If the legislation is passed, New Zealand citizens who have been long-term residents of Australia since childhood will be given access to the Australian HELP loans programs from 1 January 2016.

A student who holds a New Zealand Special Category visa will be able to access HELP loans, providing they:

- first entered Australia as a dependent minor aged under 18 years of age

- have been ordinarily resident in Australia for the previous 10 years (that is, they have been physically present in Australia for at least eight out of the past 10 years) and 18 months out of the last two years at the time of application for the loan, and
- are otherwise eligible for the loan.

Eligible students will need to fill out a *Commonwealth Assistance Form* for the type of HELP for which they are applying. They should provide evidence they have been living in Australia for the qualifying period. If necessary, a student can obtain copies of their international movement records from the Department of Immigration and Border Protection by lodging form 1359-*Request for International Movement Records* available at [www.immi.gov.au/allforms/pdf/1359.pdf](http://www.immi.gov.au/allforms/pdf/1359.pdf).

Booklets for the individual HELP schemes (HECS-HELP, FEE-HELP, VET FEE-HELP, OS-HELP and SA-HELP) will be updated with information about these changes for the 2016 intake. The updated booklets will be made available on the Publications page on the *Study Assist* website closer to the date of effect: [www.studyassist.gov.au/sites/studyassist/helpfulresources/pages/publications](http://www.studyassist.gov.au/sites/studyassist/helpfulresources/pages/publications).

This information is correct at the time of publication.

### 3.5.7 Ineligibility for HELP programs

Other domestic students such as New Zealand citizens who do not meet the proposed new eligibility criteria (see section 3.5.6) and Australian permanent residents (other than holders of a permanent humanitarian visa) are not eligible for HELP loans. These students must pay their student contribution or tuition fee in full by the census date.

If a CSP student who is not eligible for HECS-HELP assistance fails to pay their student contribution amount in full by the census date, RMIT is required by Australian Government legislation to **cancel** the student's enrolment. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

## 3.6 Higher education – domestic and international full-fee paying

### 3.6.1 Program fees and charges

RMIT offers a number of undergraduate, postgraduate and research places to students that are not enrolled in a Commonwealth supported place. The tuition fees for these programs are set on an annual basis and may be subject to change each calendar year.

Under the *Higher Education Support Act 2003* (HESA), domestic full-fee students in a unit of study (course) must be charged an amount equal to, or more than, what Commonwealth supported students are charged for that unit. That is, for units in which Commonwealth supported students are enrolled, the full-fee tuition fee the provider sets cannot be less than the highest student contribution being paid by any Commonwealth supported student for that unit. The only exception to this is where a student is enrolled in an employer reserved place.

The fees for all of RMIT's domestic full-fee programs have been set above the respective maximum student contribution amount. Appendix 1 provides a list of the average annual 2016 tuition fees for all domestic undergraduate and postgraduate full-fee programs.

### 3.6.2 Changes to full-fee domestic undergraduate places

From 1 January 2009, domestic full-fee undergraduate places will not be available to commencing students at public universities.

### **New domestic students**

With the exception of the Associate Degree in Aviation (Professional Pilots), RMIT will not be offering full-fee places to new domestic students in undergraduate programs through VTAC (Victorian Tertiary Admission Centre).

### **Current full-fee domestic students**

Students who are currently enrolled in a domestic full-fee undergraduate place can continue to complete their degree as a full-fee student.

### **Exemptions**

There are some exemptions to the Australian Government's prohibition on new full-fee undergraduate places that affect a very small number of applicants and students. These include applicants who:

- accepted a full-fee place in a course of study (program) prior to 1 January 2009 and deferred enrolment to 2009 or a later year;
- transfer from one course of study they commenced prior to 1 January 2009 as a full-fee student to another course of study at the same level at the same provider without completing the original course of study;
- undertake a unit on a cross-institutional basis and the unit is not a compulsory part of the student's course of study
- commence a course of study as an overseas student and becomes a domestic student;
- have advised RMIT in writing they do not wish to be Commonwealth supported; or
- are:
  - enrolling in a full-fee summer or winter school;
  - enrolling in an employer reserved place; or
  - enrolling in a bridging course for overseas-trained professionals.

Such applicants are required to apply directly to RMIT's admissions department for a full-fee place.

Please note: postgraduate programs are unaffected by this announcement and will continue to be offered to domestic students on a full-fee basis.

### **3.6.3 International onshore students**

The Commonwealth does not contribute to educational costs for international students unless the students are in receipt of an International Postgraduate Research Scholarship. Furthermore, Commonwealth grant amounts provided to universities for the education of domestic students are not provided for the purpose of subsidising places or services for international students.

The fees charged to international students must be greater than or equal to a minimum indicative fee specified by the Commonwealth. All RMIT fees have been set above these minimum requirements. Appendix 3 of this document lists the 2016 average annual tuition fees for international onshore students.

### 3.6.4 International offshore students

RMIT University does not set fees for the majority of international offshore students enrolled at a partner institution – these are established by the relevant offshore partner.

International offshore postgraduate by coursework students who are enrolled with an RMIT Australia campus and are studying via distance education will be charged a fee equivalent to the domestic full-fee for their program. RMIT Australia PhD and masters by research fees for international candidates studying offshore are available in Appendix 4 of this document.

### 3.6.5 RMIT International University Vietnam

Australian and New Zealand students who apply directly to RMIT International University Vietnam (RMIT Vietnam) and enrol with RMIT Vietnam are subject to the fees and charges detailed in the RMIT Vietnam *Student fees and charges guide* ([www.rmit.edu.vn](http://www.rmit.edu.vn)). An RMIT Australia student participating in a cross-campus exchange will continue to be enrolled as an RMIT Australia student, paying any tuition fees or student contribution amounts as usual.

## 3.7 Vocational education – Victorian Government subsidised places (Victorian Training Guarantee)

### 3.7.1 Tuition fees for government subsidised places

For eligible students, this training is delivered with Victorian and Commonwealth Government funding. RMIT's Registered Training Organisation (RTO) code is 3046.

Tuition fees for a government subsidised place vary according to each program and are updated on an annual basis.

Appendix 2 provides a list of the average annual 2016 tuition fees, as well as the amount per nominal hour, for all vocational education programs for government subsidised students.

Visit [www.rmit.edu.au/programs/fees/vocational/govtsub](http://www.rmit.edu.au/programs/fees/vocational/govtsub) for more information.

### 3.7.2 Program alignment with nationally endorsed training package

Each vocational education program aligns to a nationally endorsed training package that is developed by its relevant Industry Skills Council Advisory Committee, or enterprise requiring specific qualifications and training. Training Packages are endorsed and reviewed regularly to ensure they continue to meet the needs of industry, students and the community.

The Industry Skills Council or enterprise may amend a training package during 2016 and RMIT may, in the interest of students, adopt a revised training package. Any variation may result in amendments to the nominal hours of a program, which will be updated in the fee schedule available at [www.rmit.edu.au/programs/fees/vocational/govtsub](http://www.rmit.edu.au/programs/fees/vocational/govtsub).

Students who are transferred to a new program due to government changes to their qualification may need to complete additional courses to meet the requirements of the new program, and the fees for the new program may be different.

### 3.7.3 Eligibility criteria for government subsidised places

The Victorian Government provides subsidised places for approved vocational education programs for students who meet the Victorian Training Guarantee eligibility criteria. If a student is offered a government subsidised place, they must prove their eligibility before they enrol.

A student's eligibility for a government subsidised place will depend on their citizenship, age, prior education, the number of programs they are studying in the current year and the number of government subsidised programs they have commenced in their lifetime at each level. There are exemptions from eligibility criteria for apprentices, students undertaking the Victorian Certificate of Education, and Foundation Skills programs.

Students will be enrolled according to how qualifications are defined in the relevant industry training package. This may impact on their eligibility for a government subsidised place for individual qualifications.

More detailed information regarding eligibility for a government subsidised place is available [www.rmit.edu.au/programs/apply/vocational/eligibility](http://www.rmit.edu.au/programs/apply/vocational/eligibility).

### 3.7.4 Eligibility criteria for individuals referred under particular initiatives or provisions

In 2016, individuals referred to training under the particular initiatives or provisions set out below may not be required to meet particular aspects of the Victorian Training Guarantee eligibility criteria for a government subsidised place.

#### 3.7.4.1 Asylum Seekers and Victims of Human Trafficking

Asylum Seekers and Victims of Human Trafficking are exempt from the citizenship/residency eligibility requirement for a government subsidised place, for the duration of their program, or until they withdraw. They must meet all other eligibility criteria for a government subsidised place.

Asylum Seekers must be confirmed as 'Asylum Seekers' and must present a *Referral to Government Subsidised Training form – Asylum Seeker* form from the Asylum Seeker Resource Centre (ASRC).

Victims of Human Trafficking must be confirmed as 'Victims of Human Trafficking' and must present a *Referral to Government Subsidised Training form – Trafficked Person* from the Australian Red Cross (ARC).

The ASRC and ARC have been provided with a grant to cover the tuition fees levied to eligible students; RMIT will invoice the relevant organisation for the tuition fees on the student's behalf.

#### 3.7.4.2 Retrenched employees

Retrenched employees must meet all Victorian Training Guarantee eligibility criteria *except* the 'upskilling' requirement.

Individuals referred to training under this extension of eligibility provision must present RMIT with a *Training Referral Letter* dated from 1 January 2015 onwards issued by the Department of Education and Training (the Department – formally the Department of Education and Early Childhood Development) and a copy of a notification of employment separation.

This notification may take the form of:

- a separation certificate; or
- a letter of separation from their previous employer/receiver on company/receiver letterhead; or
- a statement of service including the date of cessation of employment; or

- a letter specifying that retrenchment *will* occur on a nominated date from their current employer on company/receiver letterhead; or
- a *Centrelink Employment Separation Certificate* provided that the reason for separation falls within the following categories: 'shortage of work', 'unsuitability for this kind of work' or 'redundancy'.

Referred individuals must commence training within twelve months of the date shown on the *Training Referral Letter* issued by the Department.

### 3.7.4.3 Automotive Supply Chain Training Initiative

Automotive supply chain employees must meet all Victorian Training Guarantee eligibility criteria *except* the 'upskilling' requirement.

Individuals referred to training under this extension of eligibility provision must present RMIT with an *Automotive Supply Chain Training Initiative Eligibility Letter* issued by the Department of Education and Training (the Department – formally the Department of Education and Early Childhood Development) and evidence of their current or recent employment in the automotive supply chain.

This evidence may take the form of:

- a separation certificate; or
- a letter of separation from their previous employer/receiver on company/receiver letterhead; or
- a statement of service including the date of cessation of employment; or
- a letter specifying that retrenchment *will* occur on a nominated date from their current employer on company/receiver letterhead; or
- a *Centrelink Employment Separation Certificate* provided that the reason for separation falls within the following categories: 'shortage of work' or 'redundancy' or a payslip.

Referred individuals must commence training within twelve months of the date shown on the *Automotive Supply Chain Training Initiative Eligibility Letter*.

### 3.7.4.4 Young People Transitioning From Care Initiative

Individuals referred to training under the *Young People Transitioning From Care Initiative* must meet all Victorian Training Guarantee eligibility criteria.

## 3.7.5 Calculating the vocational education student contribution for a program or course

Vocational education fees for government subsidised places are calculated based on the nominal hours of enrolment. To calculate a student's tuition fees, multiply the total nominal hours for the course or program by the fee per nominal hour for the appropriate program listed in Appendix 2.

**Example 1:** Tuition fee per nominal hour for one program

A student is undertaking a Diploma and is enrolled in a total of 700 nominal hours in 2016. The tuition fee per nominal hour for the program in 2016 is \$3.57. Therefore, the 2016 tuition fee will be  $700 \times \$3.57 = \$2,499$ .

The fee charged for each semester in a calendar year may vary depending on the program's enrolment structure. For example, this student may be enrolled in and charged for 300 nominal hours in semester one and for 400 in semester two.

### **Example 2:** Tuition fee per nominal hour for multiple programs

In 2016, a student is enrolled in a Certificate IV program with 200 nominal hours and a Diploma program with 300 nominal hours. The fee per nominal hour for the Certificate IV is \$3.50 in 2016 and the fee per nominal hour for the Diploma is \$4.00 in 2016.

Therefore, the tuition fee will be:

$200 \times \$3.50 = \$700$  (Certificate IV)

$300 \times \$4.00 = \$1,200$  (Diploma)

Total 2016 tuition fees:  $\$700 + \$1,200 = \$1,900$

#### **3.7.5.1 Tuition fees for Indigenous students**

Under the Indigenous Completions Initiative, Indigenous students who enrol in a vocational education program in a government subsidised place in 2016 are entitled to the concession tuition fee amount at all program levels.

### **3.7.6 Fee concessions and exemptions for students in government subsidised places**

Some students in Victorian Government subsidised places may be entitled to an exemption or concession on their tuition fees. This includes students with a Health Care Card or students who receive government benefits through Centrelink. The concession fee is 20% of the hourly fee that a provider would have charged a non-concession student in the same government subsidised program.

#### **3.7.6.1 Eligibility for concessions and exemptions**

A vocational education or preparatory (pre-university) student enrolled in a Victorian Government subsidised place at RMIT University may be eligible to apply for an exemption or concession on tuition fees if they hold if they hold a Commonwealth Health Care Card or Pensioner Concession Card or are named on the card as a dependent child/spouse, or if they hold a Veteran's Gold Card.

If a student has applied for but not received their concession card, they may instead provide a letter or temporary card issued by Centrelink that confirms they have applied for and been approved for a concession card. They must then provide RMIT with a copy of their health care card once it has been issued.

#### **3.7.6.2 Diploma and advanced diploma students**

From 1 July 2009, diploma and advanced diploma students were no longer eligible for vocational education fee concessions. However, in 2011 the Victorian Government reintroduced tuition fee concessions for people under the age of 25 enrolled in these programs.

As of 1 July 2012, these concessions are no longer available to commencing students. However, continuing students already studying under these arrangements can continue to access the concession until the completion of their program.

Diploma and advanced diploma students may be eligible for the VET FEE-HELP loan scheme to defer fees through the tax system (see section 3.5 of this schedule).

### **3.7.6.3 Job Seeker concession**

As a result of agreed funding arrangements between the Commonwealth Government and the Victorian Government, Job Seekers undertaking training at Certificate I through to Certificate IV level were exempt from paying tuition fees. This arrangement concluded at the end of 2012. From 1 January 2013, a referred Job Seeker will be charged the same tuition fees as other students, but may still be eligible for a concession if they hold a Commonwealth Health Care Card or Pensioner Concession Card or are named on the card as a dependent child/spouse, or if they hold a Veteran's Gold Card.

A referred job seeker is an individual who holds a standard *Job Seeker Referral Form*. This form must be presented when the application for a concession is submitted.

### **3.7.6.4 Judy Lazarus Transition Centre / Community based orders**

A vocational education provider must not charge a tuition fee for enrolment by a person who is:

- from the Judy Lazarus Transition Centre (as a prisoner within the meaning of the Corrections Act 1986).
- required to undertake the program pursuant to a community based order made under the *Children, Youth and Families Act 2005*.

A written confirmation from the relevant Youth Justice Unit of the Victorian Department of Human Services that the student meets the requirements listed above must be lodged with the *Application for vocational education fee concession and exemption* form.

### **3.7.6.5 College Discretion**

Authority to grant a college discretion concession is delegated to the Academic Registrar. RMIT is permitted to grant a concession on a tuition contribution where RMIT considers that its collection in full would impose extreme financial hardship.

This may include a further concession on, or exemption from, the concession charge.

### **3.7.6.6 Concessions for dependant spouse/child of card holder**

For Commonwealth Health Care Cards and Pensioner Concession Cards, concessions that apply to tuition fees apply equally to the holder of the card, their dependant spouse and/or child. 'Dependant child' has the same meaning as in the *Social Security Act 1991* of the Commonwealth.

### **3.7.6.7 When to apply for a concession**

Students must present a concession card that is valid at the time of application (the card expiry date is not taken into account).

Students must apply **each academic year**, and need to apply before the scheduled class start date. If the student applies after the scheduled class start date then their concession or exemption will be applied to the next eligible class in which they are enrolled and all other eligible classes that have not yet commenced, for 12 months from the date of application.

Students can apply for a fee concession **before they are enrolled** (they do not need to be enrolled in the program for the concession to be recorded). They only require an RMIT student number. Students can contact their [RMIT School](#) for information about class start dates.

Concession fees are not available for diploma, advanced diploma, vocational graduate certificate and vocational graduate diploma programs. However, Indigenous students can access fee concessions for all vocational education programs at all levels.

### 3.7.6.8 How to apply for a concession

To be assessed for vocational education fee concession eligibility, students are required to complete and lodge an *Application for vocational education fee concession and exemption form* plus any other documentation required to support their application. This includes a photocopy of their valid concession card (or letter from Centrelink), plus any other documentation required to support their application (e.g. Job Seeker referral form for Job Seekers).

If a student has applied for, but not received, their concession card then they may instead provide a letter from Centrelink that confirms they have submitted their application and been approved for their concession card. They must then provide RMIT with a copy of their health care card once it has been issued.

The application form is available online at [www.rmit.edu.au/programs/fees/vocational/concession](http://www.rmit.edu.au/programs/fees/vocational/concession) and at any campus RMIT Connect Service Centre, [www.rmit.edu.au/students/connect](http://www.rmit.edu.au/students/connect).

## 3.7.7 Interstate apprentices and trainees

For interstate apprenticeships, a contract signed between RMIT and the interstate State Training Authority must be in place (New South Wales has its own procedure for eligible students, see below). The State Training Authorities provide their contract for RMIT to sign.

Each apprentice must have a Training Contract signed by their employer that specifies the program and RMIT as the Registered Training Organisation (RTO). More information is available from the RMIT apprenticeship and traineeships website [www.rmit.edu.au/programs/apps-trainees](http://www.rmit.edu.au/programs/apps-trainees) or at <http://training.gov.au>.

### 3.7.7.1 New South Wales apprenticeships

The Victorian and New South Wales Governments, through their respective State Training Authorities, have a Memorandum of Understanding that enables apprentices from either state to enrol at a vocational education institute in Victoria or New South Wales.

Currently, to be eligible, a NSW apprentice must:

- a) be an apprentice whose training contract is current and registered with the New South Wales Department of Education and Communities;

- b) have approval from the relevant New South Wales State Training Services Regional Office to undertake training with the RTO; and
- c) have commenced training under the apprenticeship with the RTO prior to 1 January 2015 and be continuing under the same Contract of Training and same qualification in 2014, 2015 or 2016 as relevant.

In 2016, eligible NSW apprentices will be charged at the same RMIT rate as Victorian Government subsidised students in the same program.

### **3.8 Vocational education fees for recognition of prior learning (RPL)**

Recognition of prior learning (RPL) is a process through which students can gain entry to, or credit in, recognised courses based on competencies gained. The competencies may have been gained through experience in the workplace, in voluntary work, in social or domestic activities or through informal or formal training or other life experiences.

Students can apply for RPL for all of the courses in their program of study, from a minimum of one course to a maximum of all courses in the program. In 2016, vocational education RPL fees for government subsidised, domestic full-fee and international students are equivalent to the standard tuition fees for the course(s) for which RPL is sought.

RPL does not include any additional training required to achieve a competency. If a student requires additional tuition before they can achieve RPL, they may apply for admission to their chosen program.

Visit [www.rmit.edu.au/programs/fees/vocational/rpl](http://www.rmit.edu.au/programs/fees/vocational/rpl) for more information.

### **3.9 Vocational education domestic and international full-fee paying**

RMIT offers a number of places in vocational education programs on a full-fee basis. Students who are ineligible for a Victorian Government subsidised place or who are repeating a government subsidised course they have previously passed may enrol as full-fee students. The tuition contribution, concessions or exemptions outlined in section 3.7 do not apply to full-fee enrolments. Appendix 2 provides a list of the average annual 2016 tuition fees for all vocational education programs for domestic full-fee students.

#### **3.9.1 Vocational education fees for international students**

Appendix 3 of this document tabulates the average annual 2016 tuition fees applicable to students studying under a student visa arrangement (classified as international onshore students).

### **3.10 Change in citizenship or immigration status**

International students who change residency during the course of their study, and become an Australian citizen or permanent resident, may be entitled to pay fees at the same rate as domestic full-fee students (if they are not granted a higher education Commonwealth supported place or a vocational education Victorian Government subsidised place), depending on the timing of the change.

If permanent residence is granted **before** the relevant date as defined below, the student must submit a *Notification of change to citizenship/residence status* form to RMIT Connect before that date (Foundation Studies students must submit forms to RMIT International College).

The relevant date is:

- for higher education international students, the applicable census date
- for vocational education students, the first scheduled class start date in the term

Once the student's status is updated to permanent resident within the RMIT student administration database, the student will be eligible for a refund of any difference between the international tuition fee and the domestic fee and will instead be liable for the domestic fee for their program in that semester.

If permanent residence is granted **after** the relevant date, the student will not be entitled to a refund of international tuition fees for the current semester.

The student should lodge the *Notification of change to citizenship/residence status* form at RMIT Connect (Foundation Studies students must submit forms to RMIT International College) as soon as possible to ensure that their status is updated to permanent resident within the RMIT student administration database before the relevant date for the following semester. International tuition fees paid for future semesters will then be credited to the student account and the student will be charged the domestic fee for their program.

Please note, depending on the established fees for individual programs, changing citizenship or immigration status may not necessarily result in a reduction in fees.

### 3.10.1 Vocational education students

Vocational education students who are granted permanent residence and wish to apply for a Victorian Government subsidised place must meet the Victorian Training Guarantee (VTG) eligibility criteria and must submit an *Evidence of student eligibility for VTG and student declaration* form to RMIT Connect when they submit the *Notification of change to citizenship/residence status* form. These forms must be received on or before the student's first scheduled class in the term. Students who do not meet the VTG eligibility criteria will be transferred to a domestic full-fee place.

Vocational education students who are granted Australian citizenship and wish to access VET FEE-HELP must submit a *Change of Citizenship/Immigration Status* form to RMIT by the applicable census date.

## 4 Student services and amenities fees (SSAF)

The student services and amenities fee (SSAF) is used to maintain and enhance services and amenities that improve the experiences of RMIT students.

Fee rates are determined by the Australian Government and set on an annual basis.

In 2016, higher education and Foundation Studies students will be charged on a pro-rata basis at the rate of \$3.03 per credit point for each course they are enrolled in, up to a maximum of \$290 for the year.

Vocational education and VCE students will be charged on a pro-rata basis at the rate of \$0.41 per nominal student contact hour, up to a maximum of \$290 for the year. If a vocational education student is eligible for a concession on their tuition fees, they are also eligible for a concession on the SSAF; in 2016 the SSAF concession rate is \$0.08 per nominal student contact hour.

Eligible higher education students can apply to defer payment of this fee via the SA-HELP scheme.

For further information, refer to [www.rmit.edu.au/programs/fees/ssaf](http://www.rmit.edu.au/programs/fees/ssaf).

#### **4.1 Students charged the SSAF in 2016**

A student will be charged the SSAF if they are an onshore student and are charged a tuition fee by the University.

This includes:

- exchange students (i.e. RMIT students studying at an overseas institution with which RMIT has a formal reciprocal agreement); and
- OUA students enrolled in an RMIT Commonwealth supported place.

#### **4.2 Students not charged the SSAF in 2016**

- Research students in a Research Training Scheme place
- Offshore students (i.e. students studying at an RMIT partner institution outside Australia, or studying with an Australian RMIT campus via distance education)
- Exchange students coming to RMIT from another institution
- Cross institutional students, including:
  - inbound students studying at an RMIT campus in Melbourne
  - outbound students (i.e. RMIT students attending another institution in Australia)
- Study Abroad students, including:
  - inbound students studying at an RMIT campus in Melbourne
  - outbound students attending an overseas institution with which RMIT has no formal reciprocal agreement
- OUA students enrolled in full-fee places
- ELICOS students enrolled through RMIT English Worldwide
- Industry sponsored students pursuant to the terms of their individual agreements
- Vocational education students in the categories/programs below:

- Asylum seekers/victims of human trafficking
- National Workforce Development Fund
- Workers in Transition Program

## 5 Materials fees

Materials fees include fees or charges associated with field trips and goods that are used to produce items that become the physical property of students. Materials fees may only be levied with a student's signed consent. These fees are not compulsory and students may choose to purchase these items independently.

The annual materials fee schedule is published on the web at [www.rmit.edu.au/programs/fees](http://www.rmit.edu.au/programs/fees) prior to the commencement of enrolments for the following year. The fees approved for 2016 have been reviewed to ensure consistency with the above principles. Appendix 5 provides a list of the materials fees for 2016.

## 6 Administration fees

RMIT administration fees cover specific additional services provided to students. In addition, a number of fees have been approved that can be levied against a student's account as a fine or penalty when University regulations are broken, or borrowed goods are not returned.

These fees are principally levied as a disincentive. Appendix 6 details a full list of administration fees and charges. Administration fees are also published online at [www.rmit.edu.au/programs/fees](http://www.rmit.edu.au/programs/fees). For some administration fees and charges, information about how they will be levied is noted below.

### 6.1 Late enrolment fee

Higher education students who enrol after their scheduled re-enrolment date may be charged a \$200 late enrolment fee. Unless prior alternative arrangements have been negotiated with the relevant College/School, higher education **students who fail to enrol by their specified time and date, and who subsequently receive approval to re-enrol late**, will incur a late enrolment fee of \$200.

The late resolution of any outstanding debts will not be considered as justification for waiving the late enrolment fee. Appeals against the late enrolment fee must be directed to the Academic Registrar in writing with documentary evidence (e.g. medical certificate) in support of the student's application. Detailed information is available at [www.rmit.edu.au/students/enrolment/late](http://www.rmit.edu.au/students/enrolment/late).

ADM43 Late Enrol Fee – SEH (College of Science, Engineering and Health)  
 ADM44 Late Enrol Fee – DSC (College of Design and Social Context)  
 ADM46 Late Enrol Fee – BUS (College of Business)

### 6.2 Fines and charges fees

#### 6.2.1 Library loans

To ensure fair access to RMIT resources for all Library users, fines and penalties apply for the late return of items. Library users can help make the borrowing service work well for everyone by returning or renewing items by their due date.

If a library borrower does not renew or return the items by their due date:

- The library user's borrowing privileges will be suspended at all RMIT University Library sites, and as such, will not be able to renew, pick up holds or borrow from our libraries.
- The library user will be fined \$0.50 per item for each day the item is overdue (to a maximum of \$65 per item) (ADM16 Library Admin Fee)

### Long overdues:

If an item becomes more than 6 months overdue the item will be deemed lost and an invoice for the replacement cost per item will be forwarded to the user (AF1 Library Material Replacement). The replacement cost is based on actual costs as defined by the library. The user will also be charged the overdue amount (ADM 16).

For more information, refer to [www.rmit.edu.au/library/borrowing/overdues](http://www.rmit.edu.au/library/borrowing/overdues).

## 6.2.2 Car parking fees

The following fees apply for annual parking permits, half year parking permits and daily parking fees for students at the Bundoora and Brunswick campuses. (Please note that the fees for 2 x half year parking permits are greater than the fee for an annual parking permit.)

Fee Code	2016 fee incl GST \$	Description of fee
ADM20	5.50	Student daily car parking (all day) – Brunswick or Bundoora
QP6	220.00	Student annual parking permit – Brunswick or Bundoora
QP8	125.00	Student half year (01.01.2016 to 30.06.2016) parking permit – Brunswick or Bundoora
QP9	125.00	Student half year (01.07.2016 to 31.12.2016) parking permit – Brunswick or Bundoora
QP20	4.00	Half-day car parking (4 hours) – Brunswick or Bundoora
QP21	2.00	Hourly parking – Brunswick or Bundoora
QP22	240.00	Reserved parking Bundoora West Student Accommodation (student full year)
QP23	135.00	Reserved parking Bundoora West Student Accommodation (student half year)

## 6.2.3 Car parking fines

The Victorian Government, under the Road Safety Act 1986 and Road Rules Regulations 1999, has authorised RMIT to issue parking infringements notices. These are detailed in Appendix 6.

## 6.3 Special administration services

Students enrolled at RMIT will receive administration services such as confirmation of enrolment and online tax invoicing without charge.

All RMIT students also receive one award transcript free of charge after conferral. The additional special services listed in this section may be provided on application.

Fee Code	2016 fee incl GST \$	Description of fee
ADM5	130.00	Replacement certificates, parchments or testamurs
ADM22	6.00	Replacement cost for manual receipt
ADM30	12.00	Search Fee - Duplicate of official Commonwealth Assistance Notice
ADM31	20.00	Provision of letter to employer re: Student Contribution Amount details
ADM42	165.00	Non Return of Academic Gown Melbourne
ADM55	60.00	Hire of Academic Dress: Students may wish to hire academic dress other than for the graduation ceremony. All enquiries for the hire of academic dress should be made with the Office of the Academic Registrar, Student Centre, Exams and Graduations Branch.
ADM137	25.00	Fee for letter requested by student. Acts as a financial disincentive to ensure only genuine requests are made.
ADM145	75.00	Letter - Academic Performance requests. Fee for letters requested by students and job networks for academic performance information. Acts as a financial disincentive to ensure only genuine requests are made.
QP1	20.00	Locker Key Deposit Fee
QP2	20.00	Replacement of current student ID card
QP33	35.00	Academic Statement (Transcript, SAC or AHEGS) - obtain on campus in person
QP34	25.00	Academic Statement (Transcript, SAC or AHEGS) - regular postage within Australia
QP35	35.00	Academic Statement (Transcript, SAC or AHEGS) - express post within Australia
QP36	50.00	Academic Statement (Transcript, SAC or AHEGS) - international registered post outside Australia
QP37	75.00	Academic Statement (Transcript, SAC or AHEGS) - door to door courier to New Zealand
QP38	125.00	Academic Statement (Transcript, SAC or AHEGS) - door to door courier to Asia/Pacific
QP39	175.00	Academic Statement (Transcript, SAC or AHEGS) - door to door courier to Rest of World

### 6.3.1 Administration fees applying to international students

A non-refundable application fee (ADM14) is payable by international students who submit an application to undertake an RMIT program. In addition, an International student may request an additional administration service of an airport pick up (ADM12, ADM167) or homestay placement (ADM11A) on their arrival in Melbourne.

These and other special administrative charges for international students are noted in the following table:

Fee Code	2016 fee incl GST \$	Description of fee
ADM11A	240.00	Homestay placement fee for students placed by International.
ADM12	90.00	Tullamarine Airport Pickup service. Penalty fee only utilised if student books service and does not utilise it.
ADM167	180.00	Avalon Airport Pickup service. Penalty fee only utilised if student books service and does not utilise it.
ADM14	100.00	Application fee for prospective International students.

### 6.3.1.1 Overseas Student Health Cover (OSHC)

All international students holding an Australian student visa are required to maintain valid Overseas Student Health Cover (OSHC) with an approved OSHC provider.

Students will not require OSHC if they are:

- a Norwegian student covered by the Norwegian National Insurance Scheme
- a Swedish student covered by the National Board of Student Aid or by Kammarkollegiet
- a Belgian student covered under the Reciprocal Health Care Agreement with Australia
- studying for less than three months on a visitor or tourist visa. These students will not be eligible for OSHC and are advised to purchase Overseas Visitors Health Cover or comprehensive travel insurance.
- an Australian Government scholarship student.

Students whose OSHC has expired or is due to expire can speak to staff at the International Desk at the Info Corner located on Level 1 at RMIT Building 22, 330 Swanston Street, Melbourne.

Further information about OSHC can be found on the International fees web page:

[www.rmit.edu.au/international/fees](http://www.rmit.edu.au/international/fees).

### 6.3.2 Administration fees applying to Open Universities Australia (OUA) students

RMIT offers a select number of courses and programs through Open Universities Australia. OUA is a collaboration of seven Australian Universities, including RMIT. OUA courses studied at RMIT may lead to either an RMIT or partner university qualification, with the RMIT award identical to those awarded to non-OUA students at RMIT.

For more information about OUA please visit its website [www.open.edu.au](http://www.open.edu.au).

Currently, the majority of OUA students are charged tuition fees directly by OUA, not RMIT. RMIT charges fees to OUA students directly for additional services provided to OUA students.

The following fees are applicable for the 2016 year:

<i>Item</i>	<i>Fee</i>
OUA - Degree Registration Fee (ADM81 BUS, ADM82 SEH, ADM83 DSC)	\$110
OUA - Credit Transfer Fee (ADM84 BUS, ADM85 SEH, ADM86 DSC)	\$55
OUA – Combined fee for assessment of credit and registration (ADM142 DSC, ADM143 SEH, ADM144 BUS)	\$165

## 7 Childcare Centre fees

RMIT provides a childcare service to students via the City Campus Children's Centre. Failure to pay childcare service fees by the due date may result in the application of penalties, or the withholding of services as outlined in section 9 below.

The following fees and fines apply to this service in 2016:

Childcare fees (student parents)	\$97 per day	\$435 per week
Fee for late collection of children after 5:45 pm	\$10 for every five minutes or part thereof	

## 8 Bundoora on-campus accommodation

On-campus accommodation at Bundoora campus, UniLodge@RMIT Bundoora, is currently being built and will be ready for Semester 1 2016.

A student who fails to pay their UniLodge@Bundoora accommodation fees by their due date will be subject to the penalties and/or the withholding of services as outlined in section 9 below.

## 9 Debtors – overdue balance and penalties

RMIT students are required to pay their fees by the due date shown on their tax invoice – as agreed to in the Statement of student responsibilities — [www.rmit.edu.au/students/responsibilities/statement](http://www.rmit.edu.au/students/responsibilities/statement). Each charge has a due date and some may vary. It is a student's responsibility to keep track of their due dates. Students can check the Summary of Charges by Due Date section in the Account Statement of their Tax Invoice or online account to see how much they need to pay by when (see section 10).

### 9.1 Late payment fee

Any charges that are not paid by the due date will appear on the next tax invoice as 'overdue'. Students with overdue fees may be charged a \$250 late payment fee (QP14) for each due date not met. Once charged, late payment fees cannot be cancelled and must be paid.

In addition to being charged a late payment fee, a student with overdue fees will be deemed to be a University debtor. Restrictions will be placed on their account and their enrolment may also be **cancelled**.

### 9.1.1 Exceptions

The late payment fee (QP14) penalty does not apply to the Higher Education Commonwealth Student Contribution (HECS), which cannot be overdue. A student's enrolment must be cancelled if they fail to either provide a tax file number or pay their student contribution in full by the census date.

## 9.2 Debtor restrictions

Students will have debtor restrictions applied to their student record if they do not pay their fees by the due date. They may also have their enrolment **cancelled** (see section 9.3).

Debtors cannot enrol, add classes, obtain a transcript of results or Statement of Academic Completion (SAC), view their academic history (results) via Enrolment Online or receive an award (graduate) until the debt is paid in full.

Therefore, it is important for students to dispute a fee as soon as possible if they think they have been incorrectly charged.

### 9.2.1 Fee disputes

Students who wish to dispute a fee must contact RMIT Connect as soon as possible. Submission of any supporting documents must be sent from their RMIT student email account and should include their Student ID (example: s123456) in all correspondence.

Once their email is received, their disputed charge will be suspended until the University completes its investigation.

If after investigation the student is found liable for the fee/s, they will be required to make immediate payment.

## 9.3 Cancellation of enrolment due to non-payment

From 1 January 2016 if a student does not pay their tuition fees of \$500 or more by the due date RMIT is entitled to cancel their enrolment in all current programs.

If a student's enrolment is cancelled they will:

- be cancelled in all current programs even if they have paid (or have an approved HELP loan) for the other program/s that they are enrolled in
- still have to pay the tuition fees for any course that they have already received a grade for or that has already finished and any materials or other fees e.g. library fines. These fees will be referred to a debt collection agency
- have to reapply to the University if they wish to continue your studies in the cancelled program/s.

### 9.3.1 Referral to debt collection

Students who do not pay their tuition fees of \$500 or more by the due date and have their enrolment cancelled will have the following fees referred to a debt collection agency:

- Tuition fees of \$500 or more for courses for which they have already received a grade, or the course has finished.
- Tuition fees of \$499.99 or less.
- All materials and other fees (e.g. library fines).

Students who are referred to a debt collection agency will incur additional costs and their credit rating may be affected.

Students who have overdue charges will be contacted by RMIT Credit Management by email and letter to request that they pay these charges immediately.

Once a debt has been referred to an external debt collection agency all verbal and written communication will come from the agency. The student will continue to receive communication from RMIT for any charges that have not been referred to the agency.

### **9.3.2 HELP loan applicants**

Students who have their enrolment cancelled because they did not pay their tuition fees by the due date will have their enrolment cancelled in all current programs, even if they have an approved HELP loan for the other program/s that they are enrolled in.

### **9.3.3 Cancellation of enrolment appeal/review process**

If a student wishes to appeal the decision to cancel their enrolment due to non-payment, they can do so by requesting a review of any charges in their account due to University error (only).

They can do this by contacting RMIT Connect as soon as possible before the cancellation date listed in their overdue notice/s issued by the University.

### **9.3.4 International student visa compliance**

International students who have their enrolment cancelled will also have their electronic Confirmation of Enrolment (CoE) cancelled. This may affect their visa as they are required to have a current CoE to maintain a student visa.

If a student's CoE is cancelled, they are in breach of their visa condition and should contact the Department of Immigration and Border Protection (DIBP) immediately to find out what action they are required to take to ensure they remain legally in Australia. If a student does not contact the DIBP, their student visa may be cancelled. If their visa is cancelled their status will be considered unlawful and this may also affect any future visa applications.

## **9.4 Financial assistance**

If a student is having trouble paying their fees, they have the following options available to them.

The University recommends the following options:

- Contact a Student Wellbeing Advisor to discuss what financial assistance may be available.

They may also:

- reduce their fees by varying their enrolment
- apply for a leave of absence for a semester, or if they cannot afford their tuition fees, they may need to cancel their enrolment.

### **9.4.1 Fee extension**

In exceptional circumstances that exist outside a student's control and subject to the approval of the fee extension panel, a student may enter into a tuition fee payment extension arrangement with RMIT.

Students who meet the eligibility criteria must provide supporting documentation to RMIT Connect as soon as possible and no later than **7 days prior** to the charge due date, as detailed on their tax invoice. Payment extensions will only be permitted for tuition fees - all other charges must be paid in full by the due date as listed on the student tax invoice. Applications will then be assessed and an outcome provided to the applicant.

Students who meet the eligibility criteria for a Commonwealth loan scheme are ineligible for a fee payment extension.

Where a fee payment extension has been granted and the fees are not paid by the agreed date(s), late payment fees may be imposed.

#### 9.4.1.1 Fee extension default

Where a student has entered into an arrangement with RMIT to repay a student loan and the student fails to honour this arrangement, a \$250 late payment fee (QP14) may be applied for each instalment that is not paid by the due date and they will be subject to debtor restrictions.

## 10 Payment of fees and charges

From Monday 14 December 2015 tax invoices will be issued for 2016. Students will receive an additional invoice each time they vary their enrolment or incur any additional charges.

Students will have debtor restrictions applied to their student record if they do not pay their fees by the due date(s). They may also have their enrolment **cancelled**. See section 9 for more information.

### 10.1 Tax invoices

Students can access their RMIT financial details and view their latest and past invoices by logging into myRMIT ([www.rmit.edu.au/myrmit](http://www.rmit.edu.au/myrmit)) and navigating to the Enrolment Online page.

Students will have a notification email sent to their RMIT student email account when their tax invoice is available to view online. They will also receive an up-to-date invoice whenever there is activity in their account, e.g. they make a payment, drop or add a course. During this overnight process a PDF of their latest tax invoice will be uploaded to Enrolment Online and a copy sent to their RMIT student email account.

More information about tax invoices is available at [www.rmit.edu.au/students/taxinvoice](http://www.rmit.edu.au/students/taxinvoice).

### 10.2 Payment options

Students can find payment options in their online account, on the *Paying your fees* webpage ([www.rmit.edu.au/students/payment](http://www.rmit.edu.au/students/payment)) and on their tax invoice.

Students should allow at least three business days prior to the due date for an electronic payment to be transferred to their RMIT account.

## 11 Discounts, fee waivers and scholarships

The *Higher Education Support Act 2003* (HESA) does not permit universities to apply discounts or waive tuition fees for full-fee students. The only exception to this requirement is in the instance of local Research students who may be on a HECS-exemption scholarship funded by the

Commonwealth's Research Training Scheme. However, universities may award full-fee students a scholarship to pay all or part of their tuition fees.

## 11.1 Scholarships

A wide range of scholarships are available to assist students while undertaking study at RMIT. Many of these have been established to provide assistance to students in specific circumstances.

For further information, please contact the Scholarships Office or visit the website [www.rmit.edu.au/scholarships](http://www.rmit.edu.au/scholarships).

## 11.2 Authorisation/approval of partial scholarships

Applications for a partial scholarship are only permissible if the *Tuition fee partial scholarship* form is completed, approved and signed-off by the Head of School (funding the scholarship) and approved by the Deputy Vice-Chancellor of the relevant College.

Partial scholarships can be granted on the basis of compassionate, marketing, staff and other grounds, or be used to correct university errors and support research efforts. More information on partial scholarships is available online for staff: [www.rmit.edu.au/fs/studentfees/partial\\_scholarships](http://www.rmit.edu.au/fs/studentfees/partial_scholarships) (staff login required).

## 12 Refund rules

A student who changes their enrolment load, withdraws from their program or takes leave of absence may have their student account re-credited. This re-credit may reduce or cancel out the original charge or result in a credit balance.

A student's credit balance can be used toward any future fees. Alternatively, a student may seek a refund of their credit balance, which they can do by submitting an *Application for refund of fees* form (available from RMIT Connect or online at [www.rmit.edu.au/students/forms](http://www.rmit.edu.au/students/forms)). These refund rules apply equally to all new and re-enrolling students unless otherwise stated.

These refund rules observe the principles outlined in:

- the National Code of Practice for Providers of Education and Training to Overseas Students 2007;
- the ESOS (Education Services for Overseas Students) Act 2000 and Regulations 2001;
- the Higher Education Support Act 2003 including Schedule 1A VET FEE-HELP Assistance Scheme;
- the Provision of Education to International Students: Code of Practice and Guidelines for Australian Universities, published by the Australian Vice Chancellors' Committee (AVCC);
- the Victorian Training Guarantee 2014 Guidelines about Fees published by the Department of Education and Early Childhood Development; and
- Payment Card Industry Data Security Standard (PCI DSS) compliance as required by the governing banking body.

Credit return rules are based on the following assumptions prior to payment:

- Enrolled students wishing to cancel must submit a *Cancellation of enrolment* form to RMIT Connect before the census date to be eligible for a refund. (Foundation Studies students

must submit forms to RMIT International College.) This does not apply to students who are refused a visa post census date – see last dot point below.

- Applications for refund following cancellation of a student's enrolment after census date may only be accepted in exceptional circumstances and in accordance with the relevant section of these refund rules.
- Funds for the credit refund must be available for payment (bank cheques have cleared, electronic funds transfers and telegraphic transfers have been received).
- Any fines or other charges incurred during enrolment or engagement with RMIT will be settled or paid in full before any credit refund payment.
- An authorised refund will be processed, where possible, using the same method as an original payment e.g. if the payment was made by credit card, the refund will be processed to the same credit card.
- Where payment has been made by credit card RMIT reserves the right to request proof of payment.
- Students are encouraged to submit any application for refund of fees within one year of the date of the event upon which the application is based (i.e. change of enrolment load, withdrawal from program) to ensure the University is able to process the application in a timely fashion. For students granted deferment or leave of absence, the one year refund application timeline starts on the new commencement date as advised after their period of deferment or leave ends.) An application for refund due to visa refusal may be lodged at any time.

Acceptance of these refund rules, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.

## **12.1 Actions that may result in the re-crediting of fees or other charges**

### **12.1.1 Domestic students (Commonwealth supported and full-fee)**

#### **12.1.1.1 Payment of up-front contribution**

The HESA Act states that where students elect to pay their full student contribution up front, the Government will pay a proportion of the total (currently 10%).\* This up-front payment discount is prescribed by the Australian Government and may be changed at any time. Accordingly, where an eligible student is enrolled in a Commonwealth supported place and pays more than the proportion specified in the Act up front or is otherwise eligible for a refund as per the rules governing remission of HESA debt, the student may be refunded the excess.

A student who withdraws from a program or course at RMIT on or before census date or who is otherwise eligible for a refund in accordance with the relevant section of these instructions, resulting in a credit to their account from their up-front contribution, is eligible either for a refund of the full amount they have paid for their student contribution or to carry forward a credit balance.

\*As early as 1 January 2016, subject to the passage of legislation, the HECS-HELP discount of 10% for up-front student contributions and the voluntary repayment bonus of 5% may be removed.

This information is correct at the time of publication of this document. Visit [www.studyassist.gov.au](http://www.studyassist.gov.au) for more information.

### 12.1.1.2 SA-HELP

Students who withdraw on or before census date will not be liable for the Student Services and Amenities Fee (SSAF) previously applicable to their enrolment. If a student opted for SA-HELP, they will no longer be liable. If a student has not opted for SA-HELP and the Student Services and Amenities Fee (SSAF) was paid up-front to RMIT, the student's account will be re-credited for the SSAF amount paid up-front and they can apply for this credit to be refunded.

Students who withdraw after the census date will remain liable for the Student Services and Amenities Fee (SSAF) for that semester. If a student opted for SA-HELP, the Student Services and Amenities Fee (SSAF) deferred to SA-HELP is not refundable after the census date.

There is no remission of debt in special circumstances for SA-HELP.

### 12.1.1.3 Re-crediting of a FEE-HELP, HECS-HELP or VET FEE-HELP balance

Students who fail or withdraw from a unit of study (including work experience in industry) after a census date due to special circumstances may apply to have their HELP balance re-credited and their HELP debt removed. Upon approval of the application, the deferred debt under HECS-HELP, FEE-HELP or VET FEE-HELP is deemed to have been remitted and any up-front payments of the student's contribution amount will be re-credited. New Zealand up-front fee-paying students can also apply for remission in these circumstances.

How to apply: see the [Application for remission \(removal\) of debt in special circumstances form](#)

There are no provisions under the Higher Education Support Act 2003 to have a debt remitted if students have already successfully completed the unit of study.

### 12.1.1.4 Refund calculation for domestic students

Tuition fees are calculated according to a student's enrolled load. Full (100%) refund of tuition fees is available for program withdrawal before the census date or for those courses dropped before the census date.

The following table lists the refund a student is entitled to after the census date.

Cancellation of enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

Table A	After census date	Notes
Program withdrawal, failure to meet offer letter conditions	0%	
Program withdrawal, following leave of absence	0%	The <i>Cancellation of enrolment</i> form and any supporting documentation must be submitted along with the refund application.
Program withdrawal	0%	

Table A	After census date	Notes
Program deferment	0%	
Permanent residence status is granted	0%	Student must submit a <i>Notification of change to citizenship/residence status</i> form to RMIT Connect before applying for a refund of any re-credit that may occur due to a difference between their program's international and domestic tuition fee. (Foundation Studies students must submit forms to RMIT International College)
RMIT cancels program or program ceases to be provided	100%	
RMIT has not provided program in full	100%	
RMIT cancels program or program ceases to be provided	100%	
RMIT has not provided program in full	100%	

## 12.1.2 Commencing international students

For the purposes of these rules, a student is defined as a commencing student if they are enrolling in a particular program for the first time with RMIT or, in the case of offshore students articulating to onshore, when they commence their studies in Australia. A student is defined as a returning student if they are re-enrolling in a program in which they have already undertaken study at RMIT.

### 12.1.2.1 Accepting an offer

By accepting a place as a full-fee paying international student at RMIT, an international student enters into an agreement with RMIT for a study program and accepts the terms and conditions of the refund rules. This agreement is for the period of the expected duration of the student's program, or duration of programs where an offer for a program or package of multiple programs is accepted.

This agreement means there is an obligation on the student's behalf to pay the published program fees throughout the student's enrolment.

### 12.1.2.2 Non-refundable fees

Overseas Student Health Cover (OSHC) and application fees are non-refundable through RMIT, unless the student has not arrived in Australia.

Students who are in Australia must apply for an OSHC refund direct to the Health Cover Provider. If a student defers to a future semester, their pre-paid fees will be transferred to the future semester.

### 12.1.2.3 Granting of permanent residence

International students who are granted permanent residence may pay domestic student full-fees instead (if they are not granted a higher education Commonwealth supported place or a vocational education Victorian Government subsidised place), depending on the timing of the change.

If permanent residence is granted **before** the relevant date as defined below, the student must submit a *Notification of change to citizenship/residence status* form to RMIT Connect before that date (Foundation Studies students must submit forms to RMIT International College).

The relevant date is:

- for higher education international students, the applicable census date
- for vocational education students, the first scheduled class start date in the term.

Once the student's status is updated to permanent resident within the RMIT student administration database, the student will be eligible for a refund of any difference between the international tuition fees and the domestic fee and will instead be liable for the domestic fee for their program in that semester.

If permanent residence is granted **after** the relevant date, the student will not be entitled to a refund of international tuition fees for the current semester. The student should lodge the *Notification of change to citizenship/residence status* form at RMIT Connect (Foundation Studies students must submit forms to RMIT International College) as soon as possible to ensure that their status is updated to permanent resident within the RMIT student administration database before the relevant date for the following semester. International tuition fees paid for future semesters will then be credited to the student account and the student will be charged the domestic fee for their program.

Please note, depending on the established fees for individual programs, changing citizenship or immigration status may not necessarily result in a reduction in fees.

### 12.1.2.4 Visa implications

As required by law, RMIT must report student visa holders who do not have a current enrolment or who withdraw from a future program to the Australian immigration department. Student visas may be cancelled by the Australian immigration department based on this information.

### 12.1.2.5 Provider default

If an offer of a place is withdrawn or RMIT is unable to provide the student's program in full, a full refund will be provided within 14 days of the provider default date.

### 12.1.2.6 Supporting documentation

Students who submit an *Application for refund of fees* form are permitted to provide supporting documentation for 10 working days following submission of the refund form.

### 12.1.2.7 Refund rule tables for commencing international students

The following tables outline scenarios that apply to commencing international students applying for a refund.

Suitable evidence to support the claims being made must be provided with the refund application. An official English translation is required if documents are provided in a language other than English.

**Table B 1: Full refund**

Reason for refund	Evidence required	Timing to submit refund
i. RMIT is unable to provide program or program does not start on agreed date	Evidence not required.	Within 1 year of proposed program commencement date
ii. Visa refusal	Copy of official visa refusal letter from the Australian Government Department of Immigration and Border Protection (DIBP)	At any time
iii. Withdrawing from study due to Australian permanent residence	Evidence of granted Australian immigration permanent residence before census date.	Within 1 year of program commencement date or the date of change of visa status, whichever is later
iv. You have attempted your pathway program(s), failed subjects and cannot meet the condition(s) of your subsequent RMIT offer(s)	Evidence proving conditions not met	Within 1 year of subsequent program commencement date
v. Cannot provide release letter from current education provider	Proof of refusal of release letter	Within 1 year of proposed program commencement date
vi. Students who apply for a refund and are transferring to an RMIT international partner or RMIT Vietnam campus	Evidence of enrolment in the partner provider institute	Within 1 year of proposed program commencement date
vii. Illness	Officially certified copy of medical documentation establishing dates of illness. If the illness is of a close family member, proof of relationship documentation (i.e. birth certificate) is also required	Within 1 year of program commencement date
viii. Visa issue including rejection of a new visa application / Visa not issued by enrolment date	Email correspondence from Australian immigration department showing that visa issue prevented enrolment.	Within 1 year of program commencement date
ix. RMIT unable to issue eCoE due to Streamlined Visa Processing (SVP) risk assessment.	Evidence not required	Within 1 year of program commencement date
x. Death of close family member	Officially certified copy of death certificate plus proof of relationship documentation (i.e. birth certificate)	Within 1 year of program commencement date

Reason for refund	Evidence required	Timing to submit refund
xi. Military service during study period	Official government document confirming dates of military service	Within 1 year of program commencement date
xii. Exceptional circumstance (as determined by RMIT)	Evidence confirming the exceptional circumstance	Within 1 year of program commencement date
xiii. Overpayment	Proof of payment / receipt. RMIT reserves the right to request an explanation for the payment	Within 1 year of program commencement date
xiv. Scholarship granted	Proof of scholarship granted	Within 1 year of program commencement date

**Table B 2: Partial refund**

Reason for refund	Evidence required	Timing to submit refund and associated charges
i. Personal reasons such as: job offer, homesickness, change of mind, change of study plans, failure to enrol by RMIT deadlines or financial considerations	No evidence required	Refer to Table B 3 below
ii. Voluntary discontinuation of current program where student also has offers for future packaged programs	Copy of <i>Cancellation of enrolment</i> form. Note: a full refund will be granted for any future programs	Refer to Table B 3 below (for cancelled program)
iii. Incorrect information or documentation supplied as part of the application process, i.e. fraudulent documents	Determined by RMIT	Refer to Table B 3 below

**Table B 3: Partial refund – timing and refund amount**

Timing	Refund amount
i. 4 weeks or more before program commencement date	Deposit minus \$500
ii. Less than 4 weeks and up to program commencement date	Deposit minus \$1000
iii. After program commencement date up to census date	Deposit minus \$5000 (note for Foundation Studies: refund will be 50% of tuition fees)
iv. After census date	No refund

**Table B 4: No refund**

Reasons for refund application	Refund amount
<p>Cancellation of enrolment after census date or failure to enrol without deferring to a later commencement date before census date</p> <p>Cancellation of enrolment after census date due to exceptional circumstances (as determined by RMIT) may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence.</p>	No refund

### 12.1.2.8 International student appeals against a refund decision

Students may appeal a refund decision where they can provide further evidence of compelling or compassionate circumstances that was not available at the time of the original decision.

### 12.1.3 Continuing international students

For the purposes of these rules, a student is defined as a commencing student if they are enrolling in a particular program for the first time with RMIT or, in the case of offshore students articulating to onshore, when they commence their studies in Australia. A student is defined as a returning or continuing student if they are re-enrolling in a program in which they have already undertaken study at RMIT.

Cancellation of a student's enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

No refund will be granted if a continuing international student studying in Australia:

- has their visa cancelled by the Australian immigration department for a breach of visa conditions, or
- is suspended or excluded from RMIT due to misconduct.

#### 12.1.3.1 Student visa

RMIT will report all international students studying in Australia who do not have a current enrolment to the Australian immigration department. Student visas may be terminated based on this information. If a new visa application is refused, students will incur an administration fee of \$500.

#### 12.1.3.2 Granting of permanent residence

International students who are granted permanent residence may pay domestic full-fees instead (if they are not granted a higher education Commonwealth supported place or a vocational education Victorian Government subsidised place), depending on the timing of the change.

If permanent residence is granted **before** the relevant date as defined below, the student must submit a *Notification of change to citizenship/residence status* form to RMIT Connect before that date (Foundation Studies students must submit forms to RMIT International College).

The relevant date is:

- for higher education international students, the applicable census date
- for vocational education students, the first scheduled class start date in the term.

Once the student's status is updated to permanent resident within the RMIT student administration database, the student will be eligible for a refund of any difference between the international tuition fees and the domestic fee and will instead be liable for the domestic fee for their program in that semester.

If permanent residence is granted **after** the relevant date, the student will not be entitled to a refund of international tuition fees for the current semester. The student should lodge the Notification of change to citizenship/residence status form at RMIT Connect (Foundation Studies students must submit forms to RMIT International College) as soon as possible to ensure that their status is updated to permanent resident within the RMIT student administration database before the relevant date for the following semester. International tuition fees paid for future semesters will then be credited to the student account and the student will be charged the domestic fee for their program.

Please note, depending on the established fees for individual programs, changing citizenship or immigration status may not necessarily result in a reduction in fees.

#### 12.1.3.3 Provider default

If an offer of a place is withdrawn or RMIT is unable to provide the student's program in full, a full refund will be provided within 14 days of the provider default date.

#### 12.1.3.4 Refund calculation for continuing international students

Tuition fees are calculated according to a student's enrolled load. Full (100%) refund of tuition fees is available for program withdrawal before the census date or for those courses dropped before the census date. An administration fee will apply where an international student's visa application is refused.

The following table lists the refund a student is entitled to after the census date:

Table C	After census date	Notes
Program withdrawal, failure to meet offer letter conditions	0%	
Program withdrawal, following leave of absence	0%	The <i>Cancellation of enrolment</i> form and any supporting documentation must be submitted along with the refund application

Table C	After census date	Notes
Permanent residence status is granted	0%	Students must submit a <i>Notification of change to citizenship/residence status</i> form to RMIT Connect before applying for a refund. (Foundation Studies students must submit forms to RMIT International College.)
RMIT cancels program or program ceases to be provided	100%	For international students, refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 14 days of the provider default date. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.
RMIT has not provided program in full	100%	For international students, where the program is not provided in full due to sanctions as per ESOS Act Part 6, refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 14 days of the provider default date. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.
Visa application is refused	100% less administration charge	Documentary evidence of the refusal from Australian immigration department must be provided along with the refund application. An administration fee will apply.
Reduction of enrolled load (credit points/ nominal student contact hours (SCH))	0%	
Overpayment	100%	Overpayments in credit in a student's account may be refunded

#### 12.1.4 International students studying outside Australia but enrolled with RMIT Australia

Tuition fees are calculated according to a student's enrolled load. Full (100%) refund of tuition fees is available for program withdrawal before the census date or for those courses dropped before the census date.

Cancellation of a student's enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

### 12.1.4.1 Refund calculation for international students studying outside Australia but enrolled with RMIT Australia

The following table lists the refund a student is entitled to after the census date:

Table D	After census date	Notes
Program withdrawal, failure to meet offer letter conditions	0%	
Program withdrawal, following leave of absence	0%	The <i>Cancellation of enrolment</i> form and any supporting documentation must be submitted along with the refund application
Program withdrawal	0%	
Program deferral	0%	
RMIT cancels program or program ceases to be provided	100%	
RMIT has not provided program in full	100%	
Reduction of enrolled load (credit points/nominal student contact hours (SCH))	0%	
Overpayment	100%	Overpayments in credit in a student's account may be refunded

### 12.1.5 RMIT English Worldwide (REW)

RMIT English Worldwide (REW) is a business of RMIT Training Pty Ltd, the commercial arm of RMIT University. REW develops and delivers English language programs tailored for academic, business and industry purposes.

Visit [rmitenglishworldwide.com/elicos](http://rmitenglishworldwide.com/elicos) for information about the REW refund policy.

## 12.2 Refund application process

- Domestic students, continuing international students and international students studying outside Australia but enrolled with RMIT Australia who submit their application to withdraw from a program or unit of study on or before the census date will be withdrawn or granted a deferment without penalty and will not incur a debt (including a HELP debt) for that course or VET unit of study.
- The provisions stated above do not apply to commencing international students – for these students refer to the tables in section B above and point 3 below. Commencing international students will receive a notice of refund assessment via email explaining the refund decision.
- Students who have paid their fees upfront and then make subsequent amendments to their enrolment that result in their account being re-credited may choose to have this credit balance refunded to them by submitting an *Application for refund of fees* form.

4. Enrolled international students must also submit, as appropriate:
- an authorised *Application for leave of absence* form to the Global Quality Regulation & Compliance Team, or
  - a *Cancellation of enrolment* form to RMIT Connect. (Foundation Studies students must submit forms to RMIT International College.)
  - Applications take up to 20 working days to process, beginning from date of receipt of complete application including required supporting documents.

### 12.3 Payment of refunds

Applications for refunds may take 2–3 weeks to process (earlier, if specifically required by legislation). Refunds must be requested in writing under the applicant's signature, and supported by production of a valid offer letter. Where a sponsoring body or scholarship agency pays the student's fees, any refund will be paid to that sponsoring body or scholarship agency.

Refund method is via direct credit to the nominated student bank account (or that of an alternative party if the student's fee liability was assumed by a third party).

## 13 Financial liability

The financial liability of a student's enrolment will remain unless an *Enrolment variation*, *Leave of absence* or *Cancellation of enrolment* form, or enrolment variation using Enrolment Online is completed and lodged by the appropriate date.

Withdrawal from a course using Enrolment Online, lodgement of an approved *Enrolment variation*, *Leave of absence* or *Cancellation of enrolment* form with RMIT University or RMIT English Worldwide are the only mechanisms to withdraw from a course or program of study. Failure to lodge the appropriate request before the deadline will result in the tuition liability remaining and the appropriate debt recovery actions will be enforced.

1. The financial liability of a student's enrolment will remain unless an *Enrolment variation*, *Application for leave of absence* or *Cancellation of enrolment* form is submitted by the census date.
2. No changes to enrolment will be made after the census date unless there is evidence of a university error.
3. Cancellation of enrolment by the census date does not exempt commencing international students from financial penalties such as administration fees and withdrawal penalties specified in the refund rules. If a commencing international student meets the criteria for a refund for a future program but owes the university fees, the holding deposit will reduce the debt owed to RMIT by the refund entitlement amount.
4. There will be no financial tuition fee liability for continuing international students and domestic students who cancel their enrolment by submitting a *Cancellation of enrolment* form to RMIT Connect by the applicable census date. (Foundation Studies students must submit forms to RMIT International College.)
5. All students may be liable for materials fees at the discretion of their school. These fees will be advised to students before enrolment, will comply with government requirements and will have been approved by RMIT as per the *Approved schedule of fees and charges*.
6. Students will be liable for any outstanding library fees or late fees for previous late payments.

7. Students who owe RMIT outstanding fees will not be eligible for a refund.
8. Cancellation of a student's enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

### **13.1 Student Services and Amenities Fee (SSAF)**

The Student Services and Amenities Fee (SSAF) is charged on a pro-rata basis.

If a student withdraws on or before the census date, the SSAF previously applicable for their enrolment for that semester will be re-credited to their account, provided that payment of the SSAF had already been made in full.

If a student withdraws after the census date, the SSAF will not be re-credited for that semester of study.

### **13.2 Materials fees**

Materials fee refunds are at the discretion of the relevant teaching school. Refunds for materials fees cannot be processed until the school approves the removal of charges. More information about materials fees is available at [www.rmit.edu.au/programs/fees](http://www.rmit.edu.au/programs/fees).

## 15 Appendix 2 – Domestic vocational education & preparatory Victorian Government subsidised & full-fee program fees

1. Nominal hours may vary depending on electives chosen by student.
2. The student tuition fees as published are subject to change given individual circumstances at enrolment. These are tuition fees only, and do not include the student services and amenities fee (SSAF) or any materials fees that may apply.
3. You may be entitled to a concession on your tuition and student services and amenities fees if you are in a Victorian Government subsidised place and you meet the eligibility criteria to apply for a concession. If your application for a fee concession is successful, you will be charged a concession rate equivalent to 20% of the tuition fee payable by non-concession students in a government subsidised place for your program.
4. Diploma & advanced diploma students are no longer eligible for a concession or exemption of tuition fees. Aboriginal/Torres Strait Islander students can continue accessing concession rates at all program levels (including diploma & advanced diploma).
5. RPL fees are equivalent to the standard tuition fees for the course/s for which RPL is sought.
6. Tuition fees for government subsidised places have been established in conjunction with the proposed 2016 Victorian Government program subsidy rates. If the government varies these rates in 2016, RMIT reserves the right to amend tuition fees for impacted programs accordingly.
